President Thanks Rabbi for Support

United Press International

President Nixon met yesterday with Rabbi Baroch Korff of Providence, R.I., chairman of the National Citizens Committee for Fairness to the President, and personally thanked him for his "active and energetic support."

Deputy press secretary Gerald Warren told reporters Mr. Nixon also thanked members of the committee's executive board for the drive to put numerous ads in newspapers across the country supporting the President.

Warren told reporters the White House had not instigated the campaign.
